

Infidelity DNA Test Order Submission Form

I submit these samples willingly and understand that the expert will perform this test in a confidential and professional manner. In the case of a sample submitted for a minor, I acknowledge that the legal guardian or conservator consents to the testing described within this document. I understand that this testing is informational only and cannot be used for any legal purpose.

Get DNA Tested Today demands that the information provided to us by you ("the customer") is correct and accurate. Result of analysis is prepared for the use of the customer to whom it is given or sent. Results can only be released in accordance with the instructions provided by the customer on this document.

Get DNA Tested Today or its affiliates shall not be liable for any loss, or damage suffered by you, or any other person because of the test results, or lack thereof.

You warrant that you are legally entitled to possession of the samples you have provided to us. You agree to indemnify us against any loss or damage that we may suffer as result of you providing us with samples which have not been legally obtained.

I hereby agree to the terms and conditions set out above and confirm the information I have given is true and correct.

Infidelity DNA Package and Mailing Instruction Form

PLEASE READ ENTIRE INSTRUCTION SHEET BEFORE PROCEEDING.

Package all evidence samples in separate paper bags. Do NOT place samples in plastic bags.

Gather the following items prior to collecting reference swabs. Do not touch swab tips with your fingers.

- 2 sterile cotton-tipped swabs for each participant providing a reference. •
- 1 standard letter envelope for each participant.

Step One: Write the Following Details on Each Envelope

- Name of individual providing reference sample
- Collection Date

Step Two: Swab Inner Cheek

- Swab inside of both cheeks with medium pressure for 20-30 seconds. Repeat process using second swab. Do NOT touch the tip of the cotton swab with your fingers.

Step Three: Seal Swabs Inside Letter Envelope

- Place both swabs into a standard letter envelope
- Do NOT place swabs in plastic bags
- Seal the envelope with tape.

Step Four: Combine and send samples.

- Place all sample envelopes and evidence into a main mailing envelope
- Complete the following forms and include them with your shipment
- Drop off or send main mailing envelope to the following address:

1545 Gulf Shores Parkway #189

Gulf Shores~Alabama~36542

NOTE: All samples must be labeled and placed in each of their own individual sealed envelopes before combining into main envelope or box. Make sure this signed submission order form is included with your package before mailing or dropping off.

- We strongly recommend you use a reliable mail carrier to send your samples i.e., using express trackable shipping. For expedited testing call 866-750-4773 for additional pricing and shipping info.
